Group Fund Raiser

About Light Creations... Light Creations manufactures a unique line of Laser Engraved Christian Gifts and Home Decor. We also specialize in Photo Engraving on a variety of materials including wood, marble, granite, tile, acrylic, and mirrors. We are a small business located in the Southwest corner of Virginia and our mission is simply to Glorify God and spread His Word with our work.

God Created the Light...We Use It For His Glory.

About The Fund Raiser... The Light Creations Fund Raiser was designed to be different than the typical fund raiser. Typically, there are forms to fill out, investment in material or product, delivery, money collection and handling, etc.. Our fund raiser requires no paperwork, no payments, no money collection, no delivery, no sales pressure.

Here's how it works... Your group simply fills out the form on our website listing the group name, city/state, approximate number of participants, the contact person and their address and contact information. If you want a logo on your Bookmark Coupons, you will need to e-mail us a .jpeg or .bmp file for that. We will then have 2" x 6" Bookmarks printed and shipped to the Group Contact Person, as shown in the example below, but customized to your group and Coupon Code. Your group members simply contact people they believe would be willing to help the group and might be interested in our products, hand them the Bookmark and ask them to take a look at our website and if they order anything, they will receive a 5% discount and the group will receive 15% of the web retail price. **IMPORTANT..**They must enter the coupon code on the Bookmark in the web checkout screen in order to link the sale with your group and get their 5% discount. Then, once a month until the end date we send a check to your Group Contact Person for 15% of the total sales with a list of people who ordered so that you can thank them however your group decides.

Basically, what your group is doing is advertising (selling) for us in return for a 15% commission. It's that simple...and you have no risks, and none of the hassle of typical fund raisers.

And the Bookmark Card is just a way to get you started... How many ways can your group come up with to get people to buy from our web site and use your Coupon Code? You can simply use the Bookmarks...or get Creative and have some Marketing Fun! The only requirement is that they use the Coupon Code if and when they order...how they get the code is totally up to you.
